It is with pleasure that we invite you to the 5th International Conference of Pre-primary Principals 12 - 13 October and the Ed Leadership International Roundtable 14 -17 October 2011.

The First Conference is targeted to Pre-primary education. It is a platform to exchange and share various ideas about 'Innovative Practices in Pre-Primary Education with special focus on Montessori Education'.

The Second Conference, the Ed Leadership the International Roundtable has a dual agenda, to discuss macro level directions in 21st Century education with participation invited from Finland, Singapore, The Netherlands, Thailand and Chile, among other countries. At the micro level, new practices and innovative teaching methods are being presented, so that participants can go back empowered both with a vision and practical steps for its implementation.

There is no doubt education worldwide needs reshaping. For this to take place, a lot more sharing is required.

We invite your participation and we welcome you.
