

The Presentation I liked most and why:

1. Some live demonstration by students & Teachers.
2. Presentation from Dr. Sumita Gandhi

The Themes I liked most and why:

1. Exchanging Ideas of education to help the child to develop his innate capacities to optimum possible extent in which he/she is given some interventions.
2. Teachers should be a facilitator - a friend - a guide and a counselor for students

The things I have learned which I am going to implement at my school:

1. Managing Class room.
2. Integrating Montessori
3. Multiple Intelligence

The things I would like to see done differently at the next Roundtable:

1. There should be a wide discussion of the ground level problems each & every one facing relating to education.
2. Exchanging lots & lots of innovation each one will do in coming days & how they are fruitful.

My Name: RAKESH SHARMA
