Convener-Ed Leadership
Ed Leadership Secretariat
10C, Station Road
Lucknow-226001.

Dear Madam

First of all accept my gratitude for the kind invitation for the forthcoming III Ed Leadership International Roundtable.

The theme of the Roundtable "Come Lets Make Education More Meaningful In The 21st Century" is most appropriate as it will help in redefining education in the modern era which is the need of hour. It is really appreciated that today's policy makers will act like mentors for the future policy makers i.e. the students and will learn the art of adaptability according to the modern trends in the field of education.

My best wishes are there for the success of the event.

I regret my inability to be a part of this International Roundtable because of prior engagement but believe me the loss of not being there, is entirely mine.

Yours truly

Dr.(Mrs)Rakesh Sachdeva
Principal
